The map shows a topographic view of the Egg b. Zürich region. A red line marks a hiking route starting from the Pfannenstiel area, passing through the Egg, Langwies, and Esslingen, and ending near Mönchaltorf. The left margin features a vertical elevation profile with a red line indicating the route's altitude, ranging from 500m to 800m. Key locations labeled include Hinteregg, Egg b. Zürich, Langwies, Esslingen, and Mönchaltorf. The map also shows various smaller settlements, roads, and geographical features like the Tüntenbach and Glesszeig.
